Step 1: Select a base for your layout as well as a couple of other sheets for your circle, border, and matting.

Step 2: Cut a 10" circle from the paper of your choice, using your circle cutter or Custom Cutting System, using the Red blade inside your Jumbo Circle pattern for $8 - 3/4$ " OR on the outside of your pattern for a $11 - 1/8$ " circle. Adhere the circle to your base.

Step 3: Either cut or punch out a border at 12" x 1" and layer another strip of paper at 12" x 1 and 1/2" and layer that on top of another strip of paper at 12" x 2". Adhere it to the top of your page.

Step 4: Mat and adhere your photos, trimming them if you want. Embellish and journal.
