**Step 1:** Pick your 12" x 12" base. If desired, mat your photos from the center of it, leaving a frame, otherwise, leave it whole.

**Step 2:** Cut a sheet of designer paper to 11" x 6" and cut 2 strips from another designer paper at 11" x 2-1/2".

**Step 3:** Adhere one of your 2-1/2" strips to the top, leaving a 1/2" frame around the top and sides from the frame. Adhere your wider piece below it for the center, then your 2nd strip to the bottom.

**Step 4:** Punch out a 12" border from the Border Maker System, or adhere a border sticker along the top strip and middle paper seam.

**Step 5:** Mat & adhere your photos.  
Embellish and journal.
