- Step 1:** Pick a base and 3 other designer papers to create your layout with. Trim a piece of cardstock or designer paper to 11 and 1/2" by 9". Adhere to the top center of your base, leaving a 1/4" edge around your base.
- Step 2:** Trim the paper you would like as your bottom strip to 12" x 3". Adhere it to the bottom of your base. Place a border along the top of the strip.
- Step 3:** Cut two of your photos to 4" x 4". You can leave your 3rd photo at 4" x 6". Mat your larger photo.
- Step 4:** Trim a title mat to 4" x 3". Trim two pieces of papers to 3" x 1". (Scraps work well.) Create a journal box with a mat or scrap paper sized 4" x 3". Adhere all of your pieces down as pictured. Journal and embellish!
