- Step 1:** Select a paper for your base, and 3 others for your circles. Cut a circle at 10", another at 9.4", and another at 9", using your circle cutter or custom cutting system.
- Step 2:** Adhere your circles to the base, layered slightly offset.
- Step 3:** Trim and mat your photos and adhere to your layout.
- Step 4:** Punch out a border or use a border sticker/embellishments to add along the bottom of your page. Embellish and journal.
