- Step 1:** Select a 12x12 paper for your base. Select another paper to go on top of that sized 11-1/2" x 11-1/2".
- Step 2:** Select papers to create your "ticket" mats out of. You'll need 5 sized to 3-1/4" x 4-1/4", and 1 other sized to 5" x 7". Trim your photos to 3" x 4" each. Use your 2-way corner rounder and "chomp" the corners on all of your photos and mats.
- Step 3:** Adhere your photos to your mats. Pick out mats from the variety mats for your journal and title area, or create more boxes per the measurements in the sketch and chomp out each of those corners. Like everything up on your page at a slant, overhanging off the edge in those spots. Trim off excess.
- Step 4:** Adhere your 11-1/2 sheet to the base. Add embellishments, title, and journaling.
