

Original instructions posted in the Creative Memories Blog on 3/15/2021

- Step 1:** Select a 12x12 paper for your base, and gut it if you want to save paper. Select another base and cut it to 11-5/8" x 11-5/8". Adhere to your 12x12 base.
- Step 2:** Trim a strip of paper (per sketch) to 12" x 3", and adhere near the bottom of your layout. Layer another 12" x 2-1/2" strip of paper on top of that. Finally, add another 12" x 2" strip on top of that to form your bottom border. Add other stickers/borders if desired.
- Step 3:** Use a 4-1/2" x 6-1/2" mat to create your "house" by trimming a triangle roof on top. Add a 4" x 5-1/4" mat on top, then a 3-1/2" x 5" photo on top of that.
- Step 4:** Add a 6" x 4" photo and 6" x 4" mat to your layout as shown.
- Step 5:** Embellish and journal.
