- Step 1:** Select a 12x12 paper for your base. Select multiple other papers for the strips and other page elements.
- Step 2:** Create a 4"x4" square and cut it in half. Adhere 1 of the triangles to the top, left corner of your base.
- Step 3:** Trim a piece of white cardstock to 12" x 3" to build your border on. Then trim 12 strips to 1" x 3" and adhere onto your cardstock base. Adhere the strip to your base as shown, and trim off the overhanging edges.
- Step 4:** Trim your photos to 3-1/2" x 5", and mat them. Create a border to adhere between the triangle and border strip.
- Step 5:** Embellish and journal. Use foam squares if desired.
