**Step 1:** Select a 12" x 12" base, as well as a coordinating paper/colors to add your elements. I used a Fast 2 Fab page for my base. Trim another piece of paper to 10-1/2" x 8-1/2" and adhere as shown in the sketch. (My example did NOT do this.) Cut a piece of paper to 10-1/2" x 2" and adhere towards the bottom of your base.

**Step 2:** Add a border across the top of your last strip as shown.

**Step 3:** Trim 3 of your photos to 3" x 3" and have another sized 4" x 6". Create a mat for your larger photo to 4-1/2" x 6-1/2" and adhere your larger photo to it. Adhere all photos as shown.

**Step 4:** Add a title. Embellish and journal.
