**Step 1:** Use a sheet of Fast2Fab-Inspired paper that has an aqua stripes border on top.

**Step 2:** Adhere a red mat card on the left side of the layout. Cut a 4" x 6" piece with Bright White Solid Cardstock and adhere on the mat. Crop a photo to 3-3/4" x 5-3/4" and mount on top. Crop two photos to 3" x 4" and adhere as shown. Adhere a weathered wood and aqua journal mat below them.

**Step 3:** Using the Cruise Ship Border Punch, punch borders with both bright white cardstock and aqua stripes paper. Layer the aqua border over the white border and adhere on the layout, about

1-1/2" from the bottom edge and overlapping the journal mat.

**Step 4:** Layer and adhere the sailboat cluster and cruise ship cluster embellishments, popping the titles up with Foam Squares.

**Step 5:** Journal as desired.
