Step 1: Use a sheet of collage designer paper as the base for this layout. Cut a 12" x 3/4" strip with distressed stripe paper and adhere on the top of the layout. Adhere an arrows laser cut border along the seam.

Step 2: Cut a 12" x 1/2" strip with the distressed stripe designer paper and adhere on the bottom of the layout. Cut a 12" x 1-1/4" strip with polka dots designer paper and adhere just above the stripe designer paper strip. Adhere an arrows laser cut border along the seam.

Step 3: Using the inside of the medium Circle Custom Cutting System Pattern and the Blue Blade, cut a circle with Black or Bright White Solid Cardstock. Without moving the pattern, switch to the Green Blade and cut a circle, making a ring.

Repeat to make a total of four black rings and six white rings. Cut each ring in half using Micro-Tip Scissors.

Step 4: Cut a 2-1/8" square with five different designer papers. Adhere four half rings on each square with the rounded edges meeting in the middle to create the patterns. Mount all five squares 1/4" above the polka dots designer strip as shown on the layout. Cut a 12" x 1/2" strip with the polka dots designer paper and adhere 1/4" above the five squares.

Step 5: Crop two photos to 3-3/4" x 5-1/4" and mount on two 4" x 5-1/2" pieces of Black Solid Cardstock. Adhere on the layout as shown. Crop one photo to 3" x 3" and mount in between the larger photos.

Step 6: Adhere stickers using Foam Squares for added dimension.

Step 7: Journal as desired.
