**Step 1:** Use Bright White Cardstock for the base of the layout.

**Step 2:** Cut a piece of stripes designer paper to measure 12" x 6". On the left side, mark at 4". Cut diagonally from that mark to the top-right corner. Adhere the small triangle to the top, the large to the bottom.

**Step 3:** Add black rub-on straight stitches below the top diagonal and above the bottom one. Trim rub-ons off the sheet with a trimmer for easier application. Use the Multi-Purpose Tool to transfer.

**Step 4:** Cut a 12" x 1-3/4" Navy Cardstock strip. From the Mat Pack, cut a 12" x 1-1/2" crochet border. Layer on Navy Cardstock and adhere 1/2" from the bottom.

**Step 5:** Cut two 4-1/4" x 6-1/4" photo mats from Navy Cardstock. Place the left mat 3" from the bottom and 1-3/4" from the left edge. Place the right mat 3" from the bottom and 1-3/4" from the right edge.

**Step 6:** Tuck the stuffed animals vellum embellishment under the left photo, then add the yellow heart with knitting needles. Use Foam Squares to pop up the green yarn heart.

**Step 7:** Add the knitting baskets vellum embellishment to the lower right of the right photo. Decorate basket rims with white straight stitch rub-ons.

**Step 8:** Cross two knitting needle stickers next to the right photo with the tips tucked under the baskets. Place the sentiment sticker above the baskets.

**Step 9:** Journal as desired.
