Step 1: Use a piece of Purple Ice Solid Cardstock as the base of the layout.

Step 2: Using a piece of designer paper, cut two strips that measure 12" x 3/4" and 12" x 1/2". Adhere to the edges of the layout.

Step 3: Using a contrasting piece of paper, cut two strips that measure 12" x 1/4". Adhere one strip along the edge of the 3/4" strip.

Step 4: Cut a piece of double-sided designer paper to measure 6" x 12". Cut into 2" segments. Adhere next to the 3/4" strip, alternating front and back sides of the paper.

Step 5: Adhere one of the 1/4" strips along the edge of the 2" segments.

Step 6: Using the CCS Jumbo Circle Pattern, cut a half circle by placing the desired paper along the 6" vertical line on the CCS Mat. Cut on the inside with the red blade. (Or just cut a whole circle and cut in half.)

Step 7: Adhere the portion of the circle along the edge of the 1/4" strip.

Step 8: Cut photo mats from designer paper to measure one at 6-1/2" x 4-1/2" and two at 4-1/4" x 4-1/4". Adhere to the layout.

Step 9: Cut a double mat from the same pattern as the circle piece to measure 6-1/4" x 4-1/4". Adhere to the 6-1/2" x 4-1/2" mat.

Step 10: Adhere photos that measure one at 6" x 4" and two at 4" x 4" to the mats.

Step 11: Adhere a border sticker along the edge of the 1/2" paper strip.

Step 12: Adhere stickers to the layout, using Foam Squares on some for added dimension.

Step 13: Journal as desired using the Black Dual-Tip Pen.
