**Step 1:** Use a sheet of Bright White Solid Cardstock as the base for this layout. Cut an 8-1/2" x 12" piece with the license plates designer paper and adhere 1/2" from the left edge of the base. Tear a 1/2" x 12" strip of the asphalt designer paper and tuck behind the right edge of the license plates designer paper.

**Step 2:** Cut a 6-1/4" x 12" strip with the blue stars designer paper and adhere 1-1/2" from the left edge of the layout. Adhere a construction border sticker just to the left of the blue stars designer paper. Crop three photos to 5" x 3-1/2" and mount them on three pieces of Bright White Solid Cardstock cut to 5-1/4" x 3-3/4". Adhere on the blue stars designer paper.

**Step 3:** Using the outside of the CCS large heart pattern with the red blade, cut a half-heart shape with red marker pin designer paper. Move the pattern over and cut the other half to create a large 3-1/4" x 4-1/2" marker pin. Adhere embellishments and stickers on top.

**Step 4:** Tuck and adhere a 6-1/2" x 4-1/2" green variety mat behind the license plates designer paper piece on the lower right side of the layout as shown. Adhere embellishments, popping some up with foam squares.

**Step 5:** Journal as desired.
