**Step 1:** Use the red plaid tonal paper as the base of the page. If desired, cut a 9" square from the center to set aside for use later.

**Step 2:** Cut a piece of Bright White Cardstock to measure 10" x 10". Before adhering to base, splatter bottom left and top right with ink. Adhere to base 1" from all four edges.

**Step 3:** Cut a piece of sky blue tonal paper to 5" x 9-1/2". Adhere to your white cardstock 1/4" from the bottom and 1/2" from the right edge.

**Step 4:** Cut the green and yellow leaf laser cut border to 9-1/2" long. Place vertically on the sky blue tonal paper 2" from the right edge of the page.

**Step 5:** Cut two pieces of the tan tonal paper to 6-1/8" x 4-1/8" and two of the autumn brown tonal paper to 6-1/4" x 4-1/4". Mat the tan tonal piece on top of the autumn brown. At 2-1/2" from the right edge of the page, adhere the top mat 2" from the top and the bottom mat 2" from the bottom using foam squares as desired.

**Step 6:** Using the "Good Times" mat, cut each word out to 3/4" wide ("Good" is 1-7/8" long, "Times" is 2-1/4" long). Dovetail the right end of each piece. Arrange as shown.

**Step 7:** Finish the page with stickers and the Tailgating Embellishments, using foam squares to add dimension. Journal to the left of the photos.
