

# 2025 Challenge 39 – Ashley's Scrappy VIPs

(Original Layout By Melissa Ullmann)

**Step 1:** Use a piece of Copper Shimmer Paper for the base of the layout. (Cut if desired.)

**Step 2:** Cut a piece of the designer paper to measure 11-1/2" x 11-1/2". (Do not adhere to base yet!)

**Step 3:** Cut apart the mats so that you have four mats that measure 3-1/4" x 4-1/2". Slightly angle each one along the bottom edge of the designer paper. Cut off any excess with scissors or a trimmer.

**Step 4:** Take large mats (4-1/2" x 6-1/2") and adhere them along the top edge of the designer paper. Adhere your photos that measure 4" x 6".

**Step 5:** Adhere the designer paper

with mats on your base.

**Step 6:** Adhere your chosen embellishments to the layout using Foam Squares for some for added dimension.

**Step 7:** Journal as desired.

(Note, you could also turn this layout and use mats and photos that go the other way.)
