Step 1: Use the Navy Cardstock as the base for both sides of the spread.

Step 2: Cut two pieces from the blue leaf patterned paper to measure 12" x 1/2". Adhere each piece along the top edges of the spread.

Step 3: Cut two pieces of the blue dot patterned paper to

measure 12" x 8". Adhere them along the bottom edges of the blue leaf paper.

Step 4: Cut two pieces from the blue star patterned paper to measure 12" x 1-1/2".

Step 5: Using the Circle Patterns from the Custom Cutting System, cut ten circles from tone-on-tone papers, using the inside of the medium circle with the Green Blade. Adhere the circles behind the white star patterned paper, so the bottom part of the circles are sticking out. Adhere it to the bottom edge of the dotted paper.

Step 6: Using the Original Border Maker System with the Moon & Stars Border Maker Cartridge, punch two borders from the blue tone-on-tone paper. Adhere them to the spread using Foam Squares. Punch two more borders using the yellow tone-on-tone paper. Use All-Purpose Scissors to cut out the moons. Adhere them to the top of the blue moons using Foam Squares.

Step 7: Cut two pieces from the blue tone-on-tone paper to measure 4-1/2" x 6-1/2".

Step 8: Cut two pieces from the yellow tone-on-tone paper to measure 4-1/4" x 6-1/4". Use the 2-Way Corner Rounder to “chomp” the corners of the paper. Chomp the corners of a 4" x 6" photo and adhere to the yellow. Adhere the yellow paper with the photo onto the blue paper.

Step 9: Adhere two photos measuring 6" x 4" to two mats so they are slightly offset. Adhere them to the spread.

Step 10: Adhere stickers and embellishments, using Foam Squares on some for added dimension. Journal as desired using the Black Dual Tip Pen.
