**Step 1:** Use the topography paper as the base for the layout.

**Step 2:** Cut two pieces of wooden blocks paper to measure 4" x 4". Cut both pieces in half, from corner to corner to create triangles. Adhere these pieces in corners of the layout, leaving about 1/4" on the outside.

**Step 3:** Cut a piece of the ferns paper to measure 11" x 11". Using the 12-inch Trimmer, cut the inside out, leaving a 1" frame. Adhere to the layout.

**Step 4:** Cut four pieces from the rustic stripes paper to measure 10-3/4" x 1/2". Use the 45-degree line on the 12-inch Trimmer and miter the corners of these pieces. Adhere to the top of the ferns

frame, lining up the mitered corners.

**Step 5:** Cut two pieces of the fire red flannel paper to measure 4-1/2" x 6-1/2". Adhere to the layout for photo mats. Adhere photos.

**Step 6:** Adhere stickers and embellishments to the layout, using Foam Squares on some for added dimension.

**Step 7:** Journal as desired.
