Step 1: Use a sheet of Dark Green Solid Cardstock as the base for this layout. (Tip: You may wish to remove the inside of this piece to conserve paper.) Cut a sheet of bamboo designer paper to 11-3/4" x 11-3/4" and adhere it to the base.

Step 2: Cut a 12" x 4" piece of scrap paper to use as the base for the border. Cut 1-1/2" x 4" strips with several tonal and designer papers. Adhere them side by side on the scrap strip. Using the Bamboo Border Punch, punch several borders from Dark Green and Avocado Solid Cardstock. Adhere 4" sections on the seams between 1-1/2" strips, alternating colors. Trim the piece to 11-3/4" x 3-1/2" (giving you clean edges) and adhere on the bottom of the bamboo designer paper.

Step 3: Cut an 11-3/4" x 3/4" strip from the blue tropical burst designer paper and adhere it just above the border. Cut a

bamboo border sticker to 11-3/4" and adhere it along the seam.

Step 4: Cut a 4" x 6" mat from the dark green leaves tonal paper. Mount a 3-3/4" x 5-3/4" photo on top. Cut a 6" x 4" mat from the purple designer paper. Mount a 5-3/4" x 3-3/4" photo on top. Cut a 4" x 4" mat from the light green leaves tonal paper. Mount a 3-3/4" x 3-3/4" photo on top. Adhere all photo mats to the layout as shown.

Step 5: Adhere stickers and embellishments, popping some up with foam squares for added dimension.

Step 6: Journal on the wooden sign embellishment as desired.
