(Found on the CM Blog Post from 3/2/2026)

**Step 1:** Use Bright White Solid Cardstock as the base. Trim the yellow confetti designer paper to 7" x 12" and adhere flush along the right side of the base. Add a 1" x 12" strip of the dark multi-colored designer paper vertically, overlapping the yellow confetti paper by about 1/2".

**Step 2:** Cut two strips from island waters dots designer paper: one 8" x 2-1/2" and one 8" x 2". Adhere the 2-1/2" thick strip about 1" from the top and 1/2" from the right edge, and the other 2" strip about 1-1/2" from the bottom and 1/2" from the right edge.

**Step 3:** Cut a piece of Dark Sea Green Solid Cardstock to 11-1/2" x 6" and adhere 3" from the top and 1/4" from the left

edge, overlapping the two strips from Step 2. Trim a second Bright White Solid Cardstock to 11" x 5-1/2" and center it on the dark sea green, leaving a 1/4" border.

**Step 4:** Crop 3 photos to 3" x 4." Adhere your center photo about 1/2" from the top edge of your white cardstock. Place the remaining photos 1/4" apart on each side.

**Step 5:** Trim a 1/2" x 2-1/4" strip from the top of both the "Yay for You" mat card and the Purple journal card. Tear the ends to resemble washi tape and adhere above the first two photos as shown.

**Step 6:** Adhere the "Hooray" title embellishment on top of the scalloped circle embellishment with Foam Squares for added dimension. Add stickers and other embellishments using additional Foam Squares as desired.

**Step 7:** Journal as desired in the white space below your photos.
