Step 1: Use a sheet of Bright White Solid Cardstock as the base for this layout.

Step 2: Cut a piece of green trees designer paper to 7-3/4" x 11-3/4" and adhere it to the right side of the layout, leaving 1/8" of the white base visible on three sides. Adhere a navy border sticker on the left edge.

Step 3: Using the outside edge of the small circle pattern and the red blade, cut a circle with each little leaves, lilac stardust, and tonal blue designer paper. Using the 12-inch Trimmer, cut each circle apart at 2-3/4", paying attention to the pattern on the back side.

Step 4: Place the larger part of the lilac circle (lilac side facing up) into

the Border Maker paper tray so that the straight edge is centered. Using the Dragonfly cartridge, punch the straight edge on the two centermost stops. Repeat with the green and blue circle shapes, except turn these to the reverse side before punching.

Step 5: Cut three 7/8" x 4" strips of Navy Solid Cardstock. Adhere them behind the dragonfly punch-outs from Step 4. Trim the edges to match the circles' curves. Reassemble the circles and adhere them to the left side of the layout as shown, flipping the smaller circle pieces to the reverse sides.

Step 6: Cut the "Magic Spring Moments" mat apart and adhere the pieces to the layout as shown.

Step 7: Cut two 6" x 4" photo mats with lilac stardust paper; cut two 5-3/4" x 3-3/4" mats with your Bright White Solid Cardstock; and crop two photos to 5-1/2" x 3-1/2". Layer and adhere them to the layout over the mat pieces.

Step 8: Adhere embellishments and stickers, popping some up with foam squares for dimension.

Step 9: Journal as desired.
