

2026 Challenge 15 – Ashley’s Scrappy VIPs

This week, we are changing things up and looking at Simple Page Kits! There are SO many options on the Creative Memories Site (see qr code), and you can not only get pages done quick with them, but you can also gain inspiration from them.

This week, your mission, if you choose to accept it, is one of the following:

- 1 - Complete a Simple Page Kit from your stash (if you have one).
- 2 - Use a Simple Page Kit from your

stash and mix it up to create a whole new layout!

3 - Take a look at some of the examples on this sheet below and/or on the website, and the qr code below, and create a whole new layout based on a Page Kit's layout.

No matter which one you do, take a picture of it and post it in the COMMENTS of the challenge post in Ashley’s Scrappy VIPs if you follow along there!
