Step 1: Use the sheet of Fast2Fab™ Inspired Designer Paper with the lake at the bottom edge and the trees on the left side of the base.

Step 2: With the Canoe Wave Chain BMC, punch from a piece of Songbird Blue Cardstock. Then, cut a piece of Avocado Cardstock to 12" x 3/8. Adhere the canoe border to the Avocado Cardstock. Place along the top edge of the water using Foam Squares.

Step 3: Cut one 6-1/4" x 4-1/4" piece of Songbird Cardstock and one 6-1/2" x 4-1/2" piece of Avocado Cardstock. Layer to create a photo mat and place your 6" x 4" photo on top. Tuck the mat under the Canoe Border, positioning it about

1-1/2" from the right edge.

Step 4: Cut two 4-1/4" x 3-1/4" pieces of Songbird Cardstock and two 4-1/2" x 3-1/2" pieces of Avocado Cardstock. Layer to create two photo mats and place your 4" x 3" photos on top. Position the left photo mat about 1/2" from the left edge and 2-1/4" from the top. Adhere the right photo mat 1/4" to the right of the left mat.

Step 5: Add embellishments using Foam Squares for added dimension.
