

2026 Summer Scrappy Camp - Adventure Awaits!

Challenge 22 - #scrappyhike22 (July 25, 2026)

For this challenge, all you have to do is drag the ink on your page like pictured here!

You can do straight lines like I did or create in other ways.

The way I did this one: I used a piece of white cardstock cut to 12" x 6" and dragged different colored ink pads down it. I cut it diagonally and lined the inner edges with black ink. Then adhered them to another sheet of white cardstock. So easy!

Tips: Use a pencil to draw lines so your inks stay straight as you drag them.

Also, PRACTICE on another piece of paper!
