

2026 Summer Scrappy Camp - Adventure Awaits! Challenge 26 - #scrappyhike26 (August 1, 2026)

Step 1: Use a piece of shiplap designer paper as the base for this layout. Trim two 6" x 6" squares from the sand dollars designer paper. Adhere one square on the top-right corner and the other to the bottom-left corner of the base.

Step 2: Cut a 12" x 1-15/16" strip from the blue plaid designer paper.

Step 3: Cut two 12" x 1/2" strips from the red oars designer paper. Adhere them behind the blue plaid strip so just 1/8" of the red paper is visible.

Step 4: Trim the assembled strip at 6". Adhere one half of the strip 1" from the top-left edge and the other half 1" from

the bottom-right edge of the layout.

Step 5: Punch four sea turtle shapes from the baby blue designer paper and two from the dark navy designer paper. Adhere the shapes on the blue plaid strips, using foam squares to help them stand up off the page.

Step 6: Cut the striped scallop laser cut border and the starfish laser cut border in half at 6". Adhere the pieces on either side of the blue plaid pieces as shown above.

Step 7: Fussy cut the "Adventures at Sea" ribbon from one of the mats and adhere it on the lower-right border using foam squares for added dimension.

Step 8: Adhere a 4-1/2" x 6-1/2" navy mat to the upper-right of the layout. Layer a 4" x 6" mat with the red oars mat on top. Crop a photo to 3-3/4" x 5-3/4" and mount it in the center.

Step 9: Cut two mats apart at 3-1/4" and adhere them to the bottom-left corner. Layer a 4" x 3" red oars mat on top of the navy mat. Crop a photo to 3-3/4" x 2-3/4" and mount it on top.

Step 10: Journal as desired.
